

CLEARSTONE COATINGS

Pellegrino Stonecare is a certified applicator of Clearstone, your marble will never etch or stain, available in honed or polished finish, the only product that provides 100% protection for Marble, Travertine, Onyx and acid sensitive stones, with a 10 year guarantee.

Clearstone is an insurance for your natural stone.

As a certified Clearstone applicator Pellegrino Stonecare provide a three-step process:

- 1) We restore the stone to its natural finish – sanding etches and stains out of the stone, as well as cleaning any impurities from the stone;
- 2) We apply Clearstone and allow it to cure for 14 to 24 hours and then;
- 3) We buff Clearstone to the desired finish (honed to high gloss)

CLEARSTONE
CERTIFIED APPLICATOR

BENEFITS:

- Clearstone is an impervious 2mm permanent, protective coating for natural stone, that protects like no other product.
- The perfect finish for every situation. Clearstone will not change the color or beauty of natural stone, plus it provides the perfect finish from honed right through to high gloss. It is also easily repolished should your client want to freshen up their surface.
- Easy spot repair of impact damage, cuts and scratches. Repairs are a breeze with Clearstone. The generous 2mm coating means that spot repairs are undetectable and cuts and scratches buff right out.

CLEARSTONE USEAGE:

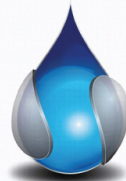

Protects against staining and etching of*:

- Marble
- Limestone
- Travertine
- Natural stone surfaces
- Composite, concrete countertops
- Interior counter tops/vanity tops/ table tops
- Exterior table / counter / tops

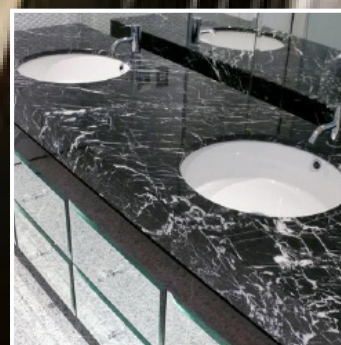

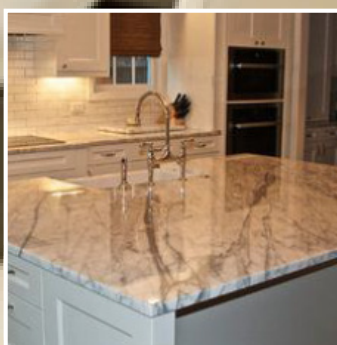

** Flat surfaces only – Clearstone is self-levelling product. Not suitable for floors or shower walls.*
